

Union Sacramento FC Membership Contract/Financial Agreement:

I understand that the Registration fee is non refundable.

I understand that player eligibility to attend Club events, trainings and games is contingent upon being in good standing.

I agree that I/Member will pay all of the Player's financial obligations to the Club including as set forth in the (agreed to) payment schedule.

I understand that I WILL be charged a late fee \$25.00 if my payment cannot be processed and my account is delinquent after the 15th. It is my responsibility to update my payment information, no warning reminders will be emailed this season.

I understand any player whose account is more than 30 days past due will be ineligible to participate in games, trainings, tournaments or other Club associated events until account is current, and the player pass will be pulled until the account is in good standing.

I understand that my account must be paid in full prior to participation in tryouts.

I understand that my player has accepted a roster spot and has a responsibility to her/his team. If for any reason my player will not be able to play for a period of time in excess of two months, I can apply for relief from fees. I must submit a request via email or in writing to the Club Treasurer who will forward the request for approval. I understand that this will only be approved with the appropriate proof due to one of the following reasons: injury verified by doctor, or relocation. I understand that I am the only one responsible for this request. I understand that if a player elects to leave the team for any reason other than the above, I am still responsible for payment of the entire fee for the season. I understand that this is so because the Club has relied on my commitment to the season in making its decision regarding the

team including, but not limited to, a decision not to take another player because of my player's stated commitment to the team.

I understand that the registration fee is nonrefundable unless my team does not form.

I understand that the Club does not refund monthly payments. If for some reason the player leaves the Club or cannot play for more than 2 months, the Club will only issue credit or refund fees to accounts that were paid in full at the time of registration. I understand that I am responsible for obtaining at my expense all uniform kits and training gear for my Player/s required by Club or Team.
